JOURNAL OF NURSING STAFF DEVELOPMENT
Volume 11, Number 6, 328–331
© 1995, Lippincott–Raven Publishers

Subject Index

Volume 11

A

Accelerated learning techniques, enhancing healthcare education, 21
Accreditation, organization-wide approach to meeting JCAHO staff education standards (*Focus*), 227
Acute care setting
  evaluation of preceptor competence and cost in acute care hospital (*Focus*), 108
  factors affecting delegation of tasks by RN to patient care assistants, 301
  nursing assistive personnel in acute care, framework for staff development, 189
Advance directives, don't let advance directives "scare" you (*Focus*), 226
Advocacy, workplace advocacy, 265
Agency for Health Care Policy and Research, future of AHCPR threatened (*Editorial*), 289
Anxiety
  effects of downsizing, 7
  impact of computer anxiety on use of computer technology by nurses (*Focus*), 172
Assistive personnel
  educational program for nursing practice model employing "nurse extender," 195
  factors affecting delegation of tasks by RN to patient care assistants in acute care setting, 301
  nursing assistive personnel in acute care, framework for staff development, 189
Attitudes
  effects of professional development program on nurses' attitudes toward professional autonomy, 150
  impact of computer anxiety and computer resistance on use of computer technology by nurses (*Focus*), 172
Autonomy, effects of professional development program on nurses' attitudes toward professional autonomy, 150

B

Book reviews
  An Ounce of Application Is Worth a Ton of Abstraction, JM Crouch, 178
  Child Health Nursing: A Comprehensive Approach to the Care of Children and Their Families, DB Jackson & RB Saunders, 112
  Clinical Delegation Skills: A Handbook for Nurses, RI Hansten & MJ Washburn, 280
  Contemporary Leadership Behavior, Selected Readings (4th ed), EC Hein & MJ Nicholson, 60
  Cost Management Strategies for Smaller Hospitals, MR Hastings, 281
  Critical Care Nursing: A Holistic Approach (6th ed), Hudak & Gallo, 59
  Effective Patient Education: A Guide to Increased Compliance (2nd ed), DR Falvo, 179
  Focus Charting: Documentation for Patient-Centered Care (6th ed), S Lampe, 236
  Freeze Frame: Fast Action Stress Relief, DL Childre, 113
  Health Policy and Nursing: Crisis and Reform in the U.S. Health Care Delivery System, C Harrington & CL Estes, 234
  Implement Differentiated Nursing Practice: Transformation by Design, JG Koerner & KL Karpiuk (eds), 114
  Make Training Worth Every Penny, J Holcomb, 59
  Management Decision Making for Nurses (2nd ed), BL Marquis & C Huston, 114
  Managing Hospital Based Patient Education, BE Giloth (ed), 325
  Managing Your Career in Bursing (2nd ed), FC Henderson & BO McGettigan, 236
  Maternal & Neonatal Nursing—Family Centered Care (3rd ed), KA May & LR Mahlmeister, 60
  Nursing: A Human Needs Approach (5th ed), JR Ellis & EA Nowlis, 112
  Nursing Leadership and Management: Concepts and Practice, RM tappen, 280
  Nursing Staff Development: A Component of Human Resource Development, RC Swansburg & LC Swansburg, 235
  Nursing Theory: Analysis, Application, Evaluation, BJ Stevens Barnum, 234
  Operations and the Working Environment, BJ Brown, 180
  Patient-Centered Care: A Model for Restructuring, ML Parsons & CL Murdaugh, 179
  Teaming Up: Achieving Organizational Transformation, CL Harshman & SL Phillips, 178

C

Clinical nurse specialists, discharge planning program for geriatric and maternal-child nurses, 291
Community hospital, Nursing Research Journal Club: ongoing program to promote nursing research in a community hospital (*Focus*), 104
Communication, promoting professional communication (*Focus*), 57
Competency
  basic elements, 247
  clinical rounds: a measure of competence (*Focus*), 321
  development, implementation, and evaluation of competency plan to validate initial and ongoing competency for all nursing service personnel, 210
  evaluation of preceptor competence and cost in acute care hospital (*Focus*), 108
  implementing continued clinical competency evaluation in emergency department, 41

C

Clinical nurse specialists, discharge planning program for geriatric and maternal-child nurses, 291
Community hospital, Nursing Research Journal Club: ongoing program to promote nursing research in a community hospital (*Focus*), 104
Communication, promoting professional communication (*Focus*), 57
Competency
  basic elements, 247
  clinical rounds: a measure of competence (*Focus*), 321
  development, implementation, and evaluation of competency plan to validate initial and ongoing competency for all nursing service personnel, 210
  evaluation of preceptor competence and cost in acute care hospital (*Focus*), 108
  implementing continued clinical competency evaluation in emergency department, 41

implementing Performance Based Development System at Naval Medical Center at San Diego, 156
Computer-assisted instruction
assessment of satisfaction with computer training in healthcare setting, 255
electronic mail, 100
mandatory annual review education, 219
Computer technology
code 50: orientation matrix to track orientation cost, 261
impact of computer anxiety and computer resistance on use of computer technology by nurses (*Focus*), 172
Contact hour, reinstate? (*Editorial*), 69
response, 245
Continuing education. *See also* Nurse educators; Staff development educators
computer-assisted instruction for mandatory annual review education, 219
computer-assisted instruction via electronic mail, 100
contact hour feature to be reinstated? (*Editorial*), 69
response, 245
enhancing healthcare education with accelerated learning techniques, 21
mandatory, meeting the challenge, 89
outcomes of university-based RN refresher course, 31
pain management: an innovative educational approach (*Focus*), 277
storytelling (narrative) as innovative approach to staff development, 15
teaching ethics to nurses, 271
Total Program Evaluation in continuing nursing education, using structure, process, and outcome for (*Focus*), 322
Critical Reading of Research Publications program, understanding research articles, 95

D

Dahlen-Hartfield, RoAnne, 125
Delegation, factors affecting delegation of tasks by RN to patient care assistants in acute care setting, 301
Department of Nursing Standards Assurance and Research (*Focus*), 230
Discharge planning, discharge teaching and planning program for geriatric and maternal-child nurses, 291
Documentation, eliminating "friendly fire", successful nursing documentation strategies, 79
Downsizing, implications for nursing educators in hospital setting, 7
Durable power of attorney, don't let advance directives "scare" you (*Focus*), 226

E

Economic issues
code 50: orientation matrix to track orientation cost, 261
computer-assisted instruction for mandatory annual review education, 219
Editorial
contact hour feature to be reinstated?, 69
future of AHCPR threatened, 289
helping our international colleagues, 129
JNSD receives award, 5
musings on work (or what's a nice girl like me doing in an office like this?), 188
response to *JNSD* contact hour feature overwhelming, 245
Editorial Board, 125
Education. *See also* Continuing education
educational program for nursing practice model employing "nurse extender," 195
nursing assistive personnel in acute care, framework for staff development educator, 189
Electronic mail, intructional modules, 100
Emergency nursing, clinical competency, implementing continued clinical competency evaluation, 41
Erratum, 117
Ethical issues, teaching ethics to nurses, 271
Evaluation
development, implementation, and evaluation of competency plan to validate initial and ongoing competency for all nursing service personnel, 210
educational program for nursing practice model employing "nurse extender," 195
implementing continued clinical competency evaluation in emergency department, 41
nursing feeding skills of geropsychiatric hospital staff members, especially psychiatric aids (*Focus*), 105
satisfaction with patient education, hospital-wide program evaluation, 35
Total Program Evaluation in continuing nursing education, using structure, process, and outcome for (*Focus*), 322

F

Family education satisfaction survey, satisfaction with patient education, 35
Focus
clinical rounds: a measure of competence, 321
don't let advance directives "scare" you, 226
evaluation of preceptor competence and cost in acute care hospital, 108
impact of computer anxiety and computer resistance on use of computer technology by nurses, 172
making the most of nursing student projects: a collaborative pain management project, 55
nursing feeding skills of geropsychiatric hospital staff members, especially psychiatric aids, 105
Nursing Research Journal Club: ongoing program to promote nursing research in a community hospital, 104
organization-wide approach to meeting Joint Commission staff education standards, 227
pain management: an innovative educational approach, 277
promoting professional communication, 57

real meaning of restraint-free environment, 275
redesign of a nursing staff development department: Past imperfect to future perfect, 230
role of staff development in creating a research-based practice environment, 170
using structure, process, and outcome for Total Program Evaluation in continuing nursing education, 322

G

Games/gaming
Shriners' challenge, format for mandatory inservice program on infection control and risk management, 83
Gerontologic nursing
discharge teaching and planning program, 291
nursing feeding skills of geropsychiatric hospital staff members, especially psychiatric aids (*Focus*), 105
real meaning of restraint-free environment (*Focus*), 275
Grief, effects of downsizing, 7

H

Habel, Maureen, 126
Healthcare reform, "come the reformation", effects of healthcare reform on health care facilities and implications for staff development specialists, 49
Home health care nurse, discharge planning program for geriatric and maternal-child nurses, 291
Hospital setting
downsizing, 7
group approach to building nursing research expertise, 215
storytelling (narrative) as teaching/learning strategy in staff development programs, 15

I

Infection control, mandatory inservice program, Shriners' challenge game format, 83
Insensitivity, impact of teacher characteristics on teaching, 146
Inservice educators, impact of teacher characteristics on teaching, 146
Inservice program, infection control and risk management, Shriners' challenge game format, 83
Interference, impact of teacher characteristics on teaching, 146

J

Jeska, Susan, 125
Job security, effects of downsizing, 7
Joint Commission on Accreditation of Healthcare Organizations (JCAHO)
organization-wide approach to meeting JCAHO staff education standards (*Focus*), 227

L

Legal issues, don't let advance directives "scare" you (*Focus*), 226
Living will, don't let advance directives "scare" you (*Focus*), 226

M

Maslow's Hierarchy of Needs, effects of downsizing, 7
Maternal-child nurse, discharge teaching and planning program, 291
Media review
"Essentials of Wound and Incontinence Care for Nurses," D Krasner, Medi-Sim/Williams & Wilkins, 182
"Fundamentals of Acid-Base Balance," Medi-Sim/Williams & Wilkins, 116
"Gestational Diabetes: You're in Control," Medcom, 282
"Infection Control: Principles and Practice," D Persaud & J Hayes, Medi-Sim/Williams & Wilkins, 325
"Patients and Families Facing Difficult Care Decisions," AACN/Critical Care & Medi-Sim/Williams & Wilkins, 238
"The Gift of Life—Waiting for a Donor," Glaxo, 62
Military nursing, implementing Performance Based Development System at Naval Medical Center at San Diego, 156
Music, enhancing healthcare education, 21

N

National Nursing Staff Development Organization, convention (1994), "come the reformation," 49
Nurse educators
computer-assisted instruction for mandatory annual review education, 219
curriculum design and implementation for "Nurse as an Educator" series, 205
discharge planning program for geriatric and maternal-child nurses, 291
effects of downsizing, 7
implementing continued clinical competency evaluation in emergency department, 41
teaching ethics to nurses, 271
Nurse extender. *See* Assistive personnel
Nursing practice
practice models employing "nurse extender," 195
research-based, role of staff development in creating a research-based practice environment (*Focus*), 170
theory-based, use in VA Medical Centers, 27
Nursing Research Journal Club, ongoing program to promote nursing research in a community hospital (*Focus*), 104
Nutrition, elderly population, nursing feeding skills of geropsychiatric hospital staff members, especially psychiatric aids (*Focus*), 105

O

Orientation
code 50: orientation matrix to track orientation cost, 261
float pool orientation, 297

P

Pain management
innovative educational approach (*Focus*), 277
making the most of nursing student projects: a collaborative pain management project (*Focus*), 55
Patient care assistants. *See* Assistive personnel
Patient care delivery, use of theory-based nursing practice in VA Medical Centers, 27
Patient education
curriculum design and implementation for "Nurse as an Educator" series, 205

discharge teaching and planning program for geriatric and maternal-child nurses, 291
satisfaction with patient education, hospital-wide program evaluation, 35
who teaches the teachers, 176
Patient rights, real meaning of restraint-free environment (*Focus*), 275
Patient Self-Determination Act, advance directives, don't let advance directives "scare" you (*Focus*), 226
Perfectionism, impact of teacher characteristics on teaching, 146
Performance Based Development System, 156
Preceptorship
curriculum design and implementation for "Nurse as an Educator" series, 205
evaluation of preceptor competence and cost in acute care hospital (*Focus*), 108
preceptor development, an opportunity to stimulate critical thinking, 71
preceptor development program, storytelling (narrative) as innovative approach, 15
qualitative study of perceptions of nurse preceptors regarding the preceptor role, 160

R

Registered nurse
factors affecting delegation of tasks by RN to patient care assistants in acute care setting, 301
float pool orientation, 297
motivational orientations of urban- and rural-based RNs, 131
outcomes of university-based RN refresher course, 31
Relaxation, enhancing healthcare education, 21
Research
collaborative model for research development and utilization, 139
group approach to building nursing research expertise in hospital setting, 215
Nursing Research Journal Club: ongoing program to promote nursing research in a community hospital (*Focus*), 104
role of staff development in creating a research-based practice environment (*Focus*), 170
understanding research articles, *Critical Reading of Research Publications* program, 95
Restraints, real meaning of restraint-free environment (*Focus*), 275

S

Safety issues
real meaning of restraint-free environment (*Focus*), 275
workplace hazards, 265
Shriners' challenge, game format for mandatory inservice program on infection control and risk management, 83
Staff development educators
generation of staff development indicators, 166
impact of teacher characteristics on teaching, 146
implementing Performance Based Development System, 156
influencing RNs to return for undergraduate degree, motivational orientations of urban- and rural-based RNs, 131
managing clinical affiliations of student nurses, 201
nursing assistive personnel in acute care, 189
role in creating a research-based practice environment (*Focus*), 170
Staff development indicator, 166
Staff nurse
float pool orientation, 297
group approach to building nursing research expertise in hospital setting, 215
Storytelling, innovative approach to staff development, 15
Student nurse
making the most of nursing student projects: a collaborative pain management project (*Focus*), 55
managing clinical affiliations of student nurses, 201
Subliminal messages, enhancing healthcare education, 21
Surveys, qualitative study of perceptions of nurse preceptors regarding the preceptor role, 160

V

Vanity, impact of teacher characteristics on teaching, 146
Veterans' Administration Medical Centers, use of theory-based nursing practice in, 27

W

Workplace advocacy, 265
